

AQUA

European Association of
Smart Meter Manufacturers

AQUA

ASSOCIATION OF EUROPEAN MANUFACTURERS
OF SMART WATER AND THERMAL ENERGY METERS

1. Water meters for domestic and for commercial and industrial uses
2. Thermal energy meters for heating and/or cooling installations
3. All members manufacture smart versions of water and/or thermal energy meters in Europe

Established as a formal group since 1960, AQUA helps to ensure that products are of the highest quality and fully conform to present and future requirements of utilities and end consumers. **AQUA members are operating in all EU countries.**

RESIDING PRESIDENT

Per Trøjbo, Kamstrup

GENERAL SECRETARY & TREASURER

Maïka Haddad

General Assembly – convenes once a year // Executive Commitee – convenes twice a year

All AQUA members are represented in the General Assembly & the Executive Committee

5 WORKING GROUPS (WG) CONSIST OF ENGINEERS & EXPERTS FROM AMONG THE MEMBERS

WG WATER

Residing Convenor:
Karol Rzepczynski, Apator

WG THERMAL ENERGY

Residing Convenor:
Ulrich Eff, Diehl Metering

WG COMMUNICATION & SECURITY

Residing Convenor:
Markus Helfenstein, GWF

WG SUSTAINABILITY

Residing Convenor:
Hanspeter Hadorn, Sontex

WG MARKETING

Residing Convenor:
Arianna Arizzi, Maddalena

Working groups – topics

THERMAL ENERGY

- EN1434:2022 published from CEN (Heat meters – requirements, test methods and technical editing)
- Implementation of EED for Thermal Energy
- MID fit for purpose
- UKCA Marking

COMMUNI-CATION & SECURITY

- RED – Radio Equipment Directive
- Fair Standards (SEP licensing under FRAND terms)
- GDPR
- NB-Iot
- WIZE
- EN13757-3/4 compliance & cyber security

WATER

- ISO 4064
- Water meters for cold potable water & hot water
- EDW (European Drinking Water)
- Compatibility of material with drinking water

SUSTAINA-BILITY

- Environmental Regulatory Compliance
- Material Safety and Chemical Restrictions
- Carbon Footprint Calculation and LCA
- Ecodesign
- Sustainability Reporting

MARKETING

- Corporate Identity
- Website
- LinkedIn
- Content Strategy

Membership benefits

Networking activities during AQUA landmark events

Free access for members to yearly events (on-site and online)

Access to the AQUA members area

European research and innovation funding programmes

Progressive and innovative policy work for a water-smart society

Participate in industry leading working groups
